24₊/7

The Hoffman **24₊/7** brand of basics has become a necessity! Anytime you order 24 or more SKUs under the entire **24₊/7** brand, you qualify for half bolts (approximately 7 yards). You can mix and match between the herringbone, tweed, bubbles, grain, linen and solid fabrics!

We intend to keep these basics in our line and the **24₊/7** brand of blenders will continue to grow. You can count on the quality you expect from Hoffman now, in the very best blenders and solids!
