FABRICS

Moda Fabrics and Shannon Fabrics are proud to announce a landmark collaboration bringing the luxurious feel of Cuddle® fabrics into the Moda family. The new collaboration, aptly named Cuddle with Moda, pairs Moda's world-renowned designer talent with Shannon's unparalleled expertise in soft, plush textiles.

Product details:

- Fabric Content: 100% polyester Cuddle® fabric
- Width: 44"/45"
- Hand: Ultra-soft, ideal for quilts, baby items, apparel, and home décor

The Cuddle with Moda collaboration will be officially unveiled at Fall Quilt Market 2025 in Houston, TX. Orders will open to independent quilt and specialty retailers at Market, with delivery to shops beginning March 2026 - May 2026. 53 Cuddle solids will also be available to order through Moda Fabrics beginning in October 2025.

Quilting Cuddle®

Introducing Shannon Fabric's newest fabric -- Quilting Cuddle®! This wonderfully stable minky has a 1.5mm pile, making it the dreamiest, softest material. Quilting Cuddle® is perfect for quilting, garments, and so much more.

Let's get started:

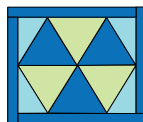

What we love about Quilting Cuddle®—and why we love it!

WHAT: Quilting Cuddle® has very little stretch.	WHAT: Quilting Cuddle® has a low pile, yet does not sacrifice softness!
WHY: Less pinning is needed—great for both novice and experienced quilters.	WHY: Works well for traditional quilt patterns using ¼" seams, dreamy for machine embroidery, and creates detailed appliqués—including lettering.
WHAT: Quilting Cuddle® is 45" wide and is sold on a bolt.	WHAT: Quilting Cuddle® combines softness and stability.
WHY: Eliminate the guess work out of how much fabric to buy. Quilting Cuddle® comes on the bolt as 45" wide.	WHY: Low-loft enables flat, precise seams and it's versatile works for stuffies, home dec, sportswear, child and baby clothes, accessories, and bag making.
WHAT: Quilting Cuddle® is easy to serge.	
WHY: Although Quilting Cuddle® is a knit and will not fray, serging gives the edges a finished look. <i>Tip: Lift the knife out of the way to avoid excessive Cuddle® dust.</i>	

Quilting Tips

1 Use ¼" seams

Quilting Cuddle® (QC) has a low-loft, you can use a standard ¼" seams or a quarter inch foot.

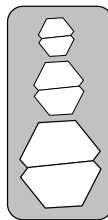

2 Perfect for Curves

Quilting Cuddle® loves curved seams. Make both pieces in QC® or mix and match with cotton.

3 Using Accuquilt.

In general, it's best to cut Quilting Cuddle® as a single layer. However, with an Accuquilt, cutting two layers at a time is possible.

Garment Sewing Tips

1 Add structural elements.

Consider patterns with a yoke, princess seams, or a zipper.

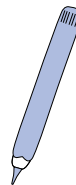

2 Interface buttonholes.

Use an all-purpose, woven, fusible interfacing.

3 Marking.

Fabric-safe markers work well.
Option: Place a pin or make a small snip in the seam.

Favorite Notions for Quilting Cuddle®

NEEDLE: 90/14 stretch needle

THREAD: Polyester thread; 40 or 50 wt.

INTERFACING/STABILIZER: All-purpose woven fusible
Recommended: Pellon SF101 (Shape-Flex)

BATTING: Low-loft polyester or polyester lend

CUTTING: Rotary cutter, craft knife, or micro-serrated scissors

PINS: Flower head pins and fabric clips

STILETTO: *Recommended: by Annie Stiletto*

SEWING PLATE: Use a single-hole plate, if available

.....

WASHING INSTRUCTIONS

- For best results, machine wash in cool water with a gentle detergent.
- Do not use fabric softener or dryer sheets.
- Tumble dry in a no-heat dryer for about ten minutes.
- Hang until dry.
